Competitive Foot Speed

The pricing for the Competitive Foot Speed High School Program has not changed for several years. The program is guaranteed based on electronic timing, which is 100% accurate. **The pricing is based on training your starting f11 offensive and defensive players.** Additional athletes can be added to the program under the cost per athlete pricing formula. The entire cost of the program can either be paid by the school and/or booster club or by a split between the school and the athlete.
